Mr + Mrs H. J. Saalman
Dear Sis... I found out that
there was a Saalman living in
Flora Ill. The Saalman name is so
rare that I feel sure you are some
relation of mine. Now- My grandpa
was Christopher Columbus Saalman & he
had a brother Joseph C Saalman who
had several children. I think eight of them
(not sure) They were from the Ill. area
of your address. He had two sisters, one
was Hermine D Saalman + Anna A Saalman
according to my family records. Hermine
married a Vaupel + lived in your area.
My Great Grandpa was Christian Saalman
& he died in the Andersonville prison during
the Civil War. I feel that your grandfather
or your great grandfather could have been
Joseph C Saalman. Let me hear from
you, right or wrong. I have a lot of family
history you would be interested in, you see
